Objective

Seeking an intern or junior level position where I can learn, apply and further improve on my current skill set.

Education

Diploma - Algonquin College

Mobile Application Design & Development - 2014 - 2016

- Cumulative G.P.A: 3.98
- Dean's Honours List

Work Experience

Teacher's Assistant

Algonquin College - Current

Assist and mentor students on various course assignments.
Assist the teacher on presenting new course material to the students. Be the middle man between the students and the teachers.

Web Accessibility Assistant

City of Ottawa - 2015

Designed and developed accessible files in various formats while following the WCAG 2.0 standards in compliance with the AODA legislation. Created a dynamic survey application for the City of Ottawa.

Entrepreneur

Summer Company Program - 2014

I founded the video production company Bluemount Films with the Summer Company Program hosted by Invest Ottawa. During the program, I filmed, edited and directed various films and worked directly with clients and organizations.

...
